

Hopscotch with a Twist

- ◆ Copy or print six or more of the foot or shoe outline (provided on pages 2 and 3).
- ◆ Tape outlines securely on the floor. Have the outlines facing different directions.
- ◆ Have children jump with both feet onto the outlines with their feet facing the same direction as the outlines.
- ◆ Variations:
 - Have children try to hop on one foot onto each outline.
 - Have children start at the other end and jump back to the beginning.
